Thank you to everyone who took the time to audition. We would have loved to place all of you in this year's show but unfortunately our stage is not big enough. If your name is not on the list, please take time to stop by and see Mr. Yancey for an explanation and for ways to improve your auditioning skills. If your name is on the list, you MUST stop by Mr. Velarde's classroom no later than Wednesday to accept your role. If you do not stop by to accept, your role will be given to someone else.
