

Arts Parents,

We have been working hard to plan our February trip to New York City! We recently met with the Travel Agency to assure the best possible experience for your student. After the meeting, we agreed that there are some important things to be aware of before fully committing to the trip:

- 1) **Weather Cancellations:** With a February trip, we are all aware that weather could be a major factor in determining whether we can travel. We have opted for trip insurance, but only part of the cost of the trip can be refunded (currently, we believe about half of the cost will be refunded in the event of a cancellation). Unfortunately, we will not be able to re-schedule this trip if a weather cancellation occurs.
- 2) **Individual Student Cancellations:** If you are unable to participate for any reason, the company will be unable to refund the cost of the trip.

Please contact one of us directly by Friday if you have any concerns with these policies.

Thank you again for all that you do to support the arts department!
