

SPRING 2019 Performance Calendar and Chorus Contract

Take some time to look at the dates on this performance calendar. Ensure that there are no conflicts with your family's calendar. Go ahead and add these dates to your calendar so that doctor's appointments, outside of school activities and personal events won't conflict with required performances. Once confirmed and once you've added each date to your personal/family calendar, initial in the appropriate box beside each date to signify your commitment to being there. If you have a conflict, write "conflict."

I have read all of the dates above. I have added every required date to my personal and family calendars. I have informed Ms. Thomas beside each date where there are already conflicts. I understand that if I miss a required performance that either my grade will be impacted or I/my child will be given an alternate assignment that must be completed before the end of the grading period. I further affirm that I have read over the chorus handbook. I understand all of its expectations, rules and policies. Lastly, I affirm that I and my child have signed up for Remind. I understand that Ms. Thomas will not be sending home paper reminders unless I request them. (The Chorus Handbook and class sign-up codes for Remind can be found at www.martingtchorus.com)
